

Minutes of the 9th meeting of the Inter-Ministerial Committee dated 19.10.2016 for recognition as Pre-Shipment Inspection Agency

The 9th meeting of the Inter-Ministerial Committee was held on 19.10.2016 at 11.00 a.m. in Room No. 11, H-Wing, Udyog Bhawan under the chairmanship of Shri K.C. Rout, Additional Director General of Foreign Trade to consider the applications for recognition as Pre-Shipment Inspection Agency (PSIA).

2. The following members attended the meeting:

- (i) Shri S.P. Roy, Jt. DG, DGFT
 - (ii) Shri S.K. Jain, Development Officer, Dept. of Industrial Policy & Promotion
 - (iii) Shri Ajeet Singh, Scientific Officer – C, Atomic Energy Regulatory Board
- (the representatives from Ministry of Environment, Forest & Climate Change and Ministry of Steel did not attend the meeting)

3. The Committee reviewed all those cases that had been placed before the 8th IMC in light of representations/information furnished by firms whose applications had been rejected and in whose cases inputs were received from the manufacturer of the instruments listed by these companies. Cases of those applicants who did not submit any representation or furnished any new information till the date of meeting have not been re-opened. Committee also decided that cases rejected in this meeting are final and will not be reviewed again and applicants desirous of reconsideration of their cases may apply afresh.

4. The following decisions were taken by the Committee:

1.	Cosmos Inspection & Analysis, Haryana
The Committee rejected the application of M/s Cosmos Inspection & Analysis, Haryana and recommended to issue Show Cause Notice to the applicant as instrument Radcomm Rhandy 100397 shown by the applicant is actually owned by M/s Neerakshan Engineers & Surveyors, Chennai, as confirmed by RadComm.	

2.	Global Marine Inspection, New Delhi
Address of Head Office	Unit No.23, Second Floor, Eros Metro Mall, Plot No.8, Sector-14, Dwarka, New Delhi-110078

Explosive Detector	TraceX Explosive Detection Kit- box of 5, Part No. 510100-05
Decision of Committee	The Committee noted that the applicant has 7 spectrometers and 10 survey meters, which were found to be acceptable as detailed in the Annexure. The applicant has a membership of Metal Recycling Association of India (MRAI) which is valid upto 31.03.2017. The applicant has also given undertaking that they will not issue PSIC to any importer in India which has any proprietor/ partner/ director common with their firm/company. The Committee decided to recommend M/s Global Marine Inspection, New Delhi for recognition as PSIA for the areas applied for.

3.	CWM Survey & Inspection, Netherland
The Committee rejected the application of M/s CWM Survey & Inspection, Netherland on the following grounds-	
(i) In the application form (ANF-2L), the detail of spectrometer is not mentioned instead of which details of an XRF instrument has been mentioned. Though the technical specifications of two	

spectrometers have been attached with the application but the valid calibration certificates have not been provided.

4. Nectar Inspection Services LLC, UAE

The Committee **deferred** the application of M/s Nectar Inspection Services LLC, UAE on the grounds that:-

- (i) The instruments were last calibrated on 25.06.2014 as per RadComm intimation whereas the firm has provided calibration certificates issued by RadComm with date mentioned as 28.09.2016, which is a contradictory note. This will be verified.

5. Akkrediteret Vejer & Inspection Aarhus A/S Vejebro Aarhus

The Committee **rejected** the application of M/s Akkrediteret Vejer & Inspection Aarhus A/S Vejebro Aarhus on the following grounds-

- (i) Lower dose rate range of spectrometer could not be verified from technical specifications.
(ii) Full technical details of spectrometer could not be verified from the given information.
(iii) Calibration certificate not acceptable as it does not contain minimum error range.
